1. Vision:

- To encourage environmental education.
- To achieve academic excellence by imparting quality teaching learning, research, co-curricular and extra co-curricular activities.
- To develop socially responsible citizens with ethics and moral.

2. Mission:

- To aspire and strive for excellence in science education by developing and sharing the intellectual and human potential to students and stakeholders.
- Our mission is to provide excellent educational infrastructure and academic ambience conducive to higher learning by setting up center of excellence and instill a sense of ethics among the students.
- To develop as an excellent institute of higher education, ensuring a conducive environment for teaching, learning and research by supporting the efforts, qualities and skills of students grooming them into socially responsible, globally competent and excellent human resources.

3. Aims & Objectives of Academic and Administrative Audit

- To evaluate the academic performance of the faculties and various departments
- To give suggestions on quality improvement in academic, administrative, curricular and extra-curricular activities
- To design effective teaching and learning processes for career oriented certificate courses
- To evaluate Program and Course Outcomes of different subjects

4. Process of the Academic and Administrative Audit Committee

The College has a committee to conduct and review the academic and administrative activities of the departments. The Academic and Administrative Audit report, for NAAC cycle-3 of the Shri Anand College, Pathardi is prepared by Internal Quality Assurance Cell of the college. The IQAC has decided to conduct academic and administrative audit by collecting suggestions, ideas from the various stakeholders. The interaction process included the meetings with all the Members of the IQAC including various heads of department. The IQAC has collected feedback from various academic and administrative committees, heads of all the departments and stakeholders. Recommendations from all these initiatives have been incorporated in the AAA. Academic and Administrative committee is formed after the visit of peer team for NAAC cycle-3. While preparing the present Academic and Administrative Audit Report, the IQAC has considered following:

- Recommendations NAAC Peer Team (II cycle)

- SWOC Analysis done by IQAC for NAAC 3rd cycle
- Quality Policy of the College
- Inputs from all the stakeholders
- Societal expectations from the college
- Core Values
- Contributing to National Development and context of new challenges.

15 AAA Committee Internal peer team report for NAAC cycle-3:

The AAA committee visited all departments, Library, Gymkhana, Computer Laboratory, and Administrative office of the college. The head of departments and NAAC Steering Committee, have made PPT presentation about the quality performance of respective departments and the members of the AAA Committee interacted with them to assess the academic and administrative performance of the college.

Please comment on SWOC Analysis:

Strength: Gain in ICT based teaching and learning skill in the faculty. 5 classroom & 1 auditorium facilitated with LCD projectors. Well developed E-content uploaded on website. AQAR uploaded with in time by functional IQAC. Overall Impressive research activity.

Weakness:

Limited programme options available to the students.

Strengthening of infrastructure in Botany and Zoology laboratories.

Opportunities:

To start more special subjects at Final year B.Sc level.

Offer more self-financial courses.

Challenges:

Establishment of memorandum of understanding (MoU) with employees.

Smooth running of the non-aided programme of Govt. B.A. is a serious challenge due to policy of Non grant basis.

The head of departments and NAAC Steering Committee have made PPT presentation about the quality performance of respective departments and the members of the AAA Committee interacted with them to assess the academic and administrative performance of the college.

Please comment on SWOC Analysis:

Strength:

1. Teaching learning is well practiced.
2. The staff is committed to academic & administrative work.
3. Impressive research contribution by faculties in academic excellence of college.
4. Feedback collection, analysis & is displayed on website for all stakeholders.

Weakness:

1. Limited special subjects for science UG & PG
2. Having no research centre
3. Limited linkages with GO & NAO, reputed industries & collaborations
4. MIS should be well practiced.

Opportunities:

1. Introduction of interdisciplinary & multi disciplinary courses
2. Widening of research due to availability of more number of research guides.
3. ICT based teaching-learning practice can be implemented effectively in all departments.
4. Activities related to social commitment with collaboration from GO & NAO can be increased.

Challenges:

1. Due to less funds to our academic activities in higher education institute is a serious challenge.
2. Students are hectic to online mode of teaching-learning process.
3. More intellectual students are attracted to professional education, so the basic science education is facing challenge
4. There are limited resources for institutional development in infrastructural form.
