Best Practice I
Academic Year 2022-23
"The Green Initiative"

1. Objectives of the Practice

- Promote tree plantation.
- Enhance environmental awareness.
- Foster community engagement.
- Preserve biodiversity.
- Combat climate change.
- Ensure sustainable practices.

2. The Context

Promoting environmental knowledge and awareness is vital, emphasizing sustainable practices and ecosystem benefits. Efficient resource use, biodiversity preservation, climate adaptation, legal compliance, and post-planting care ensure long-term environmental impact.

3. The Practice

The best practice in tree plantation within Indian higher education emphasizes active student involvement, sustainable practices, and biodiversity preservation. Uniquely, it integrates environmental education with practical implementation, fostering a sense of responsibility. Constraints include limited funding, administrative challenges, and ensuring consistent community participation, necessitating innovative solutions for lasting impact.
