Ecofriendly Ganesh Idol making workshop

Shri Anand College Pathardi and Shubhankaroti organization jointly arranged an "Ecofriendly Ganesh Idol making workshop" at various ZilhaParishad Schools in Pathardi.tahesil. Principal of the school, all the teachers and students warmly welcomed the organizers, Prof. Kalokhe (Physics Department), Prof. Santaram Sable (Marathi Department) and volunteers from the college.Many students participated in this interesting workshop where they learnt the art of idol making from clay. Third Year B.Sc. students from our college assisted children during this workshop. They prepared beautiful Ganesh idols. At the end of the workshop prizes were distributed for the best creative eco-friendly Ganesh Idol. The students seemed to be happy to craft their own created Ganesha idol.

Department of Physics

District Level Workshop on Solar Photovoltaic (PV) Power Generation

Number of beneficiaries: 74

Date: 11 March 2023

Conventional energy sources are running out and they pollute a lot. Solar energy is an inexhaustible source of energy. It is also non-polluting. What is special is that you don't have to pay money to get that energy, asserted Dr. Sheshrao Pawar in the one-day workshop. A one-day district level workshop was organized on "Solar Photovoltaic Power Generation" in association with Savitribai Phule Pune University Pune in association with Department of Physics and Student Development Board in Shree Anand College Pathardi. Dr. Pawar sir said in the presidential speech that Solar energy is with us 12 hours a day. For the remaining 12 hours we can store the solar energy and use it at night. The cost for this is also minimal. Electrical energy is very important. So we should use maximum amount of solar energy according to changing times. One should learn to use solar powered appliances. We can use it to generate household electricity, electricity for farmers, electricity for factories. A solar cell or photovoltaic cell is an electrical device that converts light energy directly into electricity. Photovoltaic effect is used for this.

In this workshop, Dr. Ashok Jadhwar, New Arts, Commerce and Science College, Ahmednagar, guided the students on the topic of "Solar Thermal Power Generation" and also gave in-depth information about how solar heaters, solar cookers, solar dryers work and their various types. Information was given on how using solar thermal power can produce potable water even in the sea.

The second lecture in this workshop was Dr. Ravikiran Late ,Ahmednagar College, Ahmednagar delivered on “Solar Photovoltaic Power Generation”. Information about how electricity can be generated using solar energy. Also, if we want to generate electricity for domestic use, how to set up a solar plant, how much power to generate, we have to prepare a budget according to it. At the government level, subsidies are available for farmers for domestic electricity consumption.

The third lecture in this workshop was delivered by Prof. Pranita Bhavsar Babuji Avhad College, Pathardi on Photovoltaic Effect.

The introduction of the workshop was done by Dr. Jagannath Barashile, Student Development Board Officer, while coordination Prof. Dr. Ajinkya Bhorde presented the vote of thanks by Anita Pawse. Professors of the college, Dr. Vikas Gade, Dr. Bhausahab Ghorpade, Dr. Muktar Shaikh, Dr. Jayashree Khedkar, Dr. Dhira jBhavsar, all the students of the college were present.

District level Workshop on: Aquaculture resources

11th March 2023

Student development Board, in association of Department of Zoology Shri Anand College, Pathardi has organized one day district level workshop on Aquaculture resources on 11th March 2023. 58 students from S. Y. B.Sc. and F. Y. B.Sc. were participated in the workshop. The function was inaugurated by Prin. Dr. S.B.Pawar, as president of workshop. In introductory address Dr. B. R. Ghorpade explained objectives of the workshop.

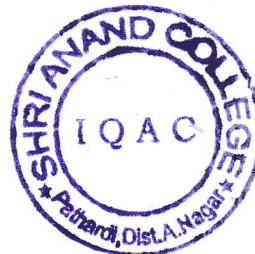

First session was conducted by Dr. Atulkumar Chourpagar, Dada Patil Rajale College, Adinathnagar on the topic "Aquaculture practices". He delivered a talk on the principle of aquaculture practices and types. He introduced the types of aquaculture. He explained the dependency of different parameters of Aquaculture practices.

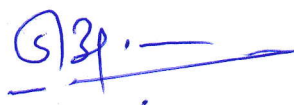

Second session was conducted by Prof. Miss Jyoti Tupe, department of Zoology, Dada Patil Rajale College, Adinathnagar. She explained and discussed different types and overview of aquaculture practices and applications of aquaculture.

Third session was conducted by Prof. Ghogare Santosh Tukaram. He gave the information about the principle, construction and mass production of Spirulina. He also explained importance of Spirulina and also the product of the Spirulina.

In valedictory function Dr. J.D. Barshile concluded the programme by giving vote of thanks to all. For success of this workshop all faculties of department of Zoology worked hard. Overall the workshop was conducted successfully by good cooperation from college and Board of student development of S.P.P.U. Pune.

One day workshop on Poly-house Farming Technology

Shri Anand College, Pathardi organized a one-day workshop on Poly-house Farming Technology in collaboration with Shivkush High-tech Nursery, Pathardi on 31st March 2023. The workshop aims to focus on how this technology gives the right environmental facilities to plants in any season and increases yield for about 5 to 10 times, less cropping period. The Programme started at 10.30 am with the welcome address and introduction of the workshop by Dr. J.D. Barshile. The dignitaries present for this workshop were Prin. Dr. S.B. Pawar, Hon. Shashikant Shivram Borude (Bhartiya Krushi Ratna Award winner), Dr. J.D. Barshile, Mrs. A.B. Pawase and Dr. A.B. Gambhire. Opening remarks of the programme was given by Prin. Dr. S.B. Pawar. He highlighted on Polyhouse farming is gaining wide popularity in India. One of the profitable farming methods allows the growers to grow excellent and exotic crops even in the changed climatic conditions. He also emphasized on reason why Agriculture is a great industry to work in rather than get a government job. Hon. Shashikant Shivram Borude invited as a resource person for this workshop. In his presentation he explained methodology used to grow plant under controlled environment for increasing yield and quality of the crops. Also extended his presentation on working principal of polyhouse, objectives of polyhouse, which cultivation is best in polyhouse, and basic principles of farming. The presentation was followed by the question-answer session. He answered all the questions posed by the participants. The workshop was anchored by Mrs. A.B. Pawase and concluded by vote of thanks by Dr. A.B. Gambhire.

Warli Painting Workshop

Number of beneficiaries: 58

Date: 08/04/2023

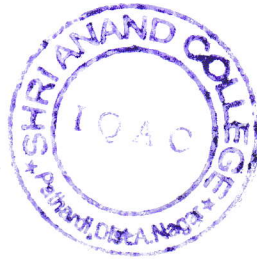

"When the COVID pandemic forced people to stay at home, it was natural to feel depressed. But it gave me ample time to pursue my hobby and I resumed the Warli painting I learned in school with renewed vigour," asserts Mrs. Priyanka Jadhav, who is carrying on the legacy of Warli painting.

A one-day workshop on "Warli Painting - A Cultural Heritage" was concluded at Shri Anand College. In this, Mrs. Priyanka Jadhav guided all the students of the college on how to do Warli painting, how to draw pictures of people, animals, birds, musical instruments, nature, etc. She said that a person should cultivate at least one hobby in life. Hobby brings positivity in a person's behavior. Warli painting is an art that increases concentration of mind. This art is a typical painting style of Warli, a tribal tribe living in Dahanu, Palghar area of Maharashtra. This painting is an integral part of their life. Shapes, lines, triangles, squares, circles of daily life are easily and freely used by these people in painting. They draw pictures of religious rituals, gods and goddesses, various ceremonies etc. on the basis of natural resources. The walls of the huts are painted with red ocher to draw pictures. Gum mixed with rice flour is painted on it by brushing a bamboo stick with white paint. Today in the fashion world of yesteryear Warli painting is used to design bags, frames, showpieces, sarees, dresses etc.

All the students who participated in the workshop enjoyed learning the Warli painting.

The program was presided over by Dr. Shesharao Pawar, the principal of the college. In his speech, he explained the importance of art in life. The program was moderated by Prof. Manisha Sanap, introduction by Prof. Suryakant Kalokhe and vote of thanks by Prof. Anita Pawase. All the professors, students and students of the college were present in large numbers for this program.

Workshop on Research Methodology

Organized by Shri Anand College Pathardi in collaboration with Dadapatil Rajale Mahavidyalaya, Adinathnagar

Shri Anand College, Pathardi, Dist. Ahmednagar in collaboration with the Dadapatil Rajale Mahavidyalaya organized one day workshop on Research Methodology for UG, PG and PhD scholars in Science during 15th April 2023. This workshop was attended by 141 students. The workshop was intended to disseminate knowledge relating to the methods and methodology in Sciences research.

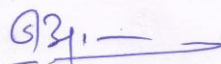

The program started at 11.30 am with the Welcoming of Guests and participants with Anand Rishiji Vandana and Virtual Lamp Lightning. Prof. Dr. Sadhana Mhaske, Head, Dept. of Chemistry, Dadapatil Rajale Mahavidyalaya, Adinathnagar, inaugurated the function. Vice Principal of the College Dr. B.Y. Pagare presided over the function. The IQAC chairman and members offered felicitations for the programme. The welcome address was given by the Prof. Dr. A.B. Gambhire, Dept. of Chemistry, Shri Anand College, Pathardi highlighted the importance of uplifting the culture of research in the academic front and also explained the importance of the research development process.

The Chief Guest, Prof. Dr. Sadhana Mhaske, was welcomed by Mrs. Anita Pawase. The inaugural function was attended by Dr. Dheeraj Bhavsar (NAAC Coordinator), Mr. S.B. Kalokhe, Mrs. Ashwini Thorat, Arun Borude, who are Assistant Professors with various Department of the college.

Prof. Dr. Sadhana Mhaske madam enumerated and briefly discussed the steps to develop a good research and the related key components. She underlined the importance of carrying out an Ethical research. She also focused on the needs for conducting research methodology courses and expressed their concern over the quality degradation in research happening across India. Such workshops, according to her will provide orientation to the students to proceed with their research in a scientific and systematic way.

The Valedictory function of workshop was held at 1.30 pm. on the same day. Vote of thanks was proposed by Dr. I.B. Shaik. The program was anchored by Dr. J.K. Khedkar. The student participants gave a positive feedback on their learning experience during the one day workshop.

The workshop was conducted free of cost to the students. The workshop was organized using available resource person and infrastructure in the college itself and incurred no expenses from the college.

Report

Lecture on 'career guidance'

Date : 20th April 2023

Speaker: PSI Asif Pathan

Number of Beneficiary: 116

Placement Cell in collaboration with shri anand college parhardi organized a career guidance lecture for B.Sc. and M. Sc. students held in the college premises on 20th April 2023. Police Sub-Inspector Mr. Asif Pathan was present for this program who were enthusiastic to create awareness amongst the students about 'competitive examination'. Asif Pathan has completed his graduation and post graduation degree in chemistry from Shri Anand college pathardi. Currently he is working at Bhaykhala police station, mumbai. He mentioned in his speech that if the students acquire all the knowledge about the competitive examination and prepare in a planned way while pursuing their graduation, they can easily pass any examination. Principal of the college Dr. Sheshrao Pawar was the president of this program. Principal Pawar encouraged the students in his presidential speech. He gave valuable guidance to the students on how to achieve their desired goals in less time by using technology and all necessary information properly. Prof. Suryakant Kalokhe took the opportunity of welcoming the guests and thanking them for their decision to spend time with the students of the college. He also appreciated the faculty coordinators who helped manage and make the event work out in a short period of notice.

Mr. Asif Pathan lives in the village of Nivdunge in the taluka of Pathardi. Despite the poor circumstances in the family, he is currently seated at the top of his profession. He provided details

Report

Lecture on 'career opportunities in Banking sector

Date : 21st April 2023

Speaker: Mr. Rajesh Pardeshi, Manager Bank of Maharashtra, Pathardi

Number of Beneficiary: 71

Career Counselling Cell, ShriAnand College Pathardi under the initiative of our Honourable Principal Dr. Sheshrao B. Pawar, conducted a career guidance seminar on various career opportunities in Banking sector on 21st April 2023 at 11.00 am Auditorium hall . The resource person was Mr. Rajesh Pardeshi, Manager, Bank of Maharashtra Pathardi Branch. Mr. Rajesh Pardeshi was present for this program that were enthusiastic to create awareness amongst the students about 'competitive examination especially in different banks such as State bank of India (SBI), Bank of Maharashtra (BOM), HDFC, IDBI, ICICI etc.

The programme was intended to enable the students of New Horizon College to tap the employment opportunities unatched by banking and non-banking financial institutions. The students could qualify competitive examinations conducted by recruitment boards of public sector banks and could join bank profession in their early age. Moreover, they could attend Campus placement drives conducted by private sector banks in higher education institutions. He gave some examples related to competitive exams and asked the students to solve them. He even provided the instructions and details of the upcoming competitive exams.
