

# **Circulars for the implementation of Green Campus Initiatives**

## CIRCULAR

### **No Vehicle Day at College Campus**

Dear Students and Faculty,

We are excited to announce that our college will be observing a "No Vehicle Day" on fourth Saturday of every month. On this day, we kindly request all students and staff to participate by refraining from bringing any motor vehicles onto the campus premises.

The aim of this initiative is to promote eco-friendly practices and reduce our carbon footprint. We encourage everyone to explore alternative transportation methods such as walking, cycling, or using public transportation.

*Let's work together to create a greener and healthier environment for our college community. Your participation and support in making this day successful are highly appreciated.*

Thank you for your cooperation.

Sincerely,

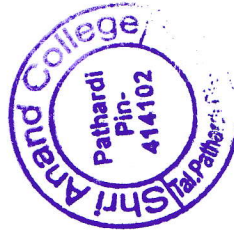

Dr. S. B. Pawar

Principal

Shri Anand College Pathardi.

## CIRCULAR

As part of the Green Campus Initiative all the faculty and students are requested to participate and support a Tree Plantation Drive that will not only enhance the beauty of our campus but also contribute significantly to our environment. By planting trees, we not only enhance the aesthetic appeal of our campus but also contribute to mitigating climate change and providing a sustainable habitat for generations to come.

Furthermore, we encourage everyone to adopt eco-friendly practices in their daily lives, such as reducing waste, conserving energy, and promoting biodiversity, to collectively work towards a greener and healthier environment.

Dr. S. B. Pawar  
Principal  
Shri Anand College Pathardi.
