IQAC initiatives For the Academic Year 2022 -2023

Prepared by

Dr. Pratik A Nagwade

IQAC Coordinator

Introduction:

In today's dynamic educational landscape, ensuring and enhancing the quality of education is imperative for higher education institutions (HEIs) worldwide. The Internal Quality Assurance Cell (IQAC) serves as a pivotal entity within HEIs, tasked with fostering a culture of quality enhancement and sustenance. IQAC operates as a systemic mechanism to channelize efforts towards continuous improvement, thereby aligning institutional practices with global quality standards and benchmarks.

The primary objective of IQAC is to develop a robust framework for quality assurance and enhancement across all facets of the institution's functioning. It functions as an autonomous body within the institution, entrusted with the responsibility of coordinating and implementing quality initiatives in a systematic and transparent manner. Through strategic planning, assessment, and feedback mechanisms, IQAC endeavours to facilitate holistic development while maintaining academic rigor and excellence.

Quality initiatives undertaken by IQAC encompass a broad spectrum of activities aimed at fostering academic integrity, research excellence, administrative efficiency, and overall institutional advancement. These initiatives are designed to address various dimensions of quality assurance, including curriculum development, faculty development, infrastructure augmentation, student support services, and stakeholder engagement.

List of the Quality Initiatives taken by IQAC in Academic Year 2022 – 2023.

- Preparation of Five years Perspective Plan.
- Preparation of Academic Institutional Development Plan.
- Participation of the institution in NIRF ranking.
